

## **Anti-HUMAN APOLIPROTEIN A1**

**(Polyclonal Goat)**

<b>Cat. No.:</b>	CA-050
<b>Quantity:</b>	1ml.
<b>Presentation:</b>	Antiserum.
<b>Titre:</b>	Depending on application this serum may be used at dilutions between 1:100 - 1:5000.
<b>Antigen:</b>	Highly purified apolipoprotein A1 (lipid free) solubilised in SDS.
<b>Cross-reactions:</b>	Identity with intact lipoprotein A1 and human plasma when assessed by double diffusion and electrophoresis.
<b>Applications:</b>	Immunoprecipitation Western blotting and ELISA.
<b>Storage:</b>	Store at -20 °C in appropriate aliquots.

**FOR RESEARCH USE ONLY**
